

COVID-19 Guidelines for BPC Contractors and Visitors

- ◆ Utilise teleconferencing and video conferencing for business communication, where possible.
- ◆ If it is necessary to enter BPC premises, use the MOH BruHealth application to scan your entry and exit where QR codes are displayed. Only individuals with Green or Yellow BruHealth codes are allowed access.
- ◆ Temperature checks shall be conducted at the security guardhouse for visitors and at the respective workplace for contractors. Any individual whose temperature is found to be above 38° C would be requested to leave BPC premises immediately and is advised to visit a doctor and get a swab test.
- ◆ Please wear your face mask at all times, adhere to the MOH social distancing requirements and practice good personal hygiene with the hand sanitizers provided throughout BPC premises.
- ◆ Utilise document trays located at the entrance to offices to drop off or pick up business documentation.
- ◆ If you feel unwell or are experiencing any symptoms, please immediately inform your BPC host or supervisor.
