

Expression of Interest (EOI)

Berakas Power Company Sdn Bhd (BPC), a local power utility company, invites interested parties with relevant experience to submit Expressions of Interest (EOI) for the proposed bid below.

Interested Parties must email 'Documents required for the EOI' to BPC to prove that they satisfy the EOI Requirements. Only parties who satisfy all the EOI Requirements will be eligible to bid. Eligible parties shall be notified and shall receive the Bid Invitation by email. Payment of the Non-Refundable Administration Fee is only applicable when collecting the tender documents.

Bid Title: Construction of Storage Warehouse at the Berakas Power Station

Bid No: B-115270-T22-01

Non-refundable administration fee: BND500

EOI Requirements

- Interested parties must have a minimum 15 years' proven track record in undertaking building construction works including piling works with individual contract values above BND500,000.
- Interested parties must have experienced direct manpower to undertake the works and with minimum 10 years' experience in undertaking material procurement, installation, construction and commissioning of buildings.
- Interested parties must own relevant heavy equipment for the works such as excavators and compactors. All machinery, equipment and tools must be certified fit for use with valid test/inspection certificates where applicable.
- NEBOSH qualified HSE employee or access to suitably qualified HSE third party support.
- Interested parties shall undertake the main scope and will subcontract part of the scope which are engineering and design, HSE services and electrical and instrument cabling works only. All main scope work activities must be conducted entirely by the Contractor.
- Interested parties must demonstrate HSE compliance.
- Interested parties must be registered with MOD and ABCi in relevant Class and Categories. Electrical contractor must have E01 registration.

Documents required for EOI

- Company profile including organization chart showing number of direct employees, and proposed associated sub-contractors for minor works if any.
- Certificate of business registration and particular of directors, owners and shareholders.
- Copy of latest 'Form of Annual Return of a Company having Share Capital'.
- Official letter from Bank issued in 2022 stating name and designation of all authorised bank signatories for the company and copies of their latest ICs or passport.
- Valid certificate of registration with MOD and ABCi for the required works.
- Proof of track records for undertaking the required works from 2011 to 2021 stating project title, clients' name, workscope, contract value, project status and information on Extension of Time/Completion on Schedule/Delays.
- CVs of company's direct employees and key personnel who will be involved in this work scope; Project Manager, Design Engineer, Site Engineer and Site Supervisors. Must have minimum 10 years' experience in similar works.
- CV of in-house NEBOSH qualified HSE employee or written confirmation of access to suitably qualified HSE third party NEBOSH support services with minimum 5 years' safety works experience and NEBOSH certified (Parts 1, 2 & 3).
- List of proposed tools and equipment owned which are certified fit for use with valid test/inspection certificates and/or maintenance inspection checklist where applicable.
- Company HSE Policy and Guideline.
- Duly completed BPC HSE questionnaire (downloadable from <https://www.bpc-brunei.com/wp-content/uploads/2021/10/BPC-HSE-Questionnaire-for-Contractors.pdf>).
- Declaration of scope to be subcontracted and name of subcontractor(s).

Please **submit all documents required by email to EOI@BPC-brunei.com before 12.00pm on 30 September 2022** to confirm your interest. Emails shall not exceed 18MB's in size; please send attachments in several emails if required. An EOI submission does not indicate immediate acceptance by BPC. Only suitably qualified and experienced contractors who satisfy all the requirements will be invited to bid.

This advertisement does not constitute as an offer, firm purchase order or contract. BPC does not bind itself to accept the lowest bid. Bid submissions shall be subject to commercial and technical evaluation and subject to full compliance of the terms and conditions stated in the bid document.
