BERAKAS POWER COMPANY SDN BHD

Providing Power and Expertise to Serve You

VACANCY

Berakas Power Company Sdn Bhd (BPC), a local Power Utility Company operating within Brunei Darussalam, is currently looking to recruit a suitably qualified candidate for the following position: -

ELECTRICAL TECHNICIAN – GENERATION MAINTENANCE

Brief Responsibilities

Conduct routine and breakdown maintenance within the Berakas Power System, ensuring safety, efficiency and compliance with company standards.

Qualifications & Requirements

- ♦ Minimum Diploma or equivalent qualifications deemed acceptable by the company.
- ♦ Minimum of one (1) year' post qualification experience in electrical plant environment.
- ♦ Adequate knowledge of maintenance criteria and methodology in an electrical plant environment.
- ♦ A basic understanding of:
 - Generators and backup diesel generators.
 - MV/LV motors, motor control centres, breakers and switchboards.
 - Control operated valves.
 - Building and compound lighting.
 - Backup batteries and battery systems.
- ♦ Sound understanding of system operating regulations and safety requirements.

Remuneration will be commensurate with qualifications and experience. This post is only open to Brunei Citizens and Permanent Residents.

Interested applicants are to submit a curriculum vitae and copies of their Certificates together with a cover letter. A recent passport size photograph should be included with the application. Only shortlisted candidates will be invited for assessment and interview.

Applications should be emailed to hr@bpc-brunei.com. The closing date for applications is 10th May 2025.
