

LIST OF COURSES FOR DES PASS CARD (YEAR 2026)

Item	Course Title	Course Duration	Certificate Validity
1	Contractors Safety Awareness (E01/E02/E03/E05) - <i>ALL Workers (Mandatory by DES)</i>	1 day	2 years
2	Contractors Safety Awareness Refresher (E01/E02/E03/E05) - <i>ONLY upon expiry of current certification.</i>	0.5 day	2 years
3	Road Safety Awareness (E02)	1 day	2 years
4	Road Safety Awareness Refresher (E02) - <i>ONLY upon expiry of current certification.</i>	0.5 day	2 years
5	Low Voltage Switching Applications (E02)	2 days	2 years
6	Low Voltage Switching Applications Refresher (E02) - <i>ONLY upon expiry of current certification.</i>	1 day	2 years
7	Safety Rules & System Operating Regulations (E03)	2 days	2 years
8	Safety Rules & System Operating Regulations Refresher (E03) - <i>ONLY upon expiry of current certification.</i>	2 days	2 years
9	High Voltage Switching Applications (E03)	2 days	2 years
10	High Voltage Switching Applications Refresher (E03) - <i>ONLY upon expiry of current certification.</i>	1 day	2 years
11	Medium Voltage Switching Applications (E03)	2 days	2 years
12	Medium Voltage Switching Applications Refresher (E03) - <i>ONLY upon expiry of current certification.</i>	1 day	2 years
13	Cable Jointing & Terminations (E05)	2 days	2 years
14	Cable Jointing & Terminations Refresher (E05) - <i>ONLY upon expiry of current certification.</i>	1 day	2 years

Note 1 : For Cable Jointing & Termination the above course fee is NOT including the practical materials.
Each Candidate to bring their own materials 5 Metres Cable, 1x Joint Kit, 1x Termination Kit, 3x (95mm) Ferrules
Note 2 : Please contact us for pricing (during office hours) +673 2394461 or email us training@bpc-brunei.com

DES Pass Card Category	Courses required to attend	Who should attend?
General Worker (GW)	Contractors Safety Awareness (CSA)	Labourer
E01	Contractors Safety Awareness (CSA)	Electrician
	Electrical Installation Regulations (EIR)	
	Wiring of Premises (WP)	
E02	Contractors Safety Awareness (CSA)	Electrician Technician
	Road Safety Awareness (RSA)	
	Low Voltage Switching Applications (LVSA)	
E03	Safety Rules & System Operating Regulations (SRSOR)	Engineers
	High Voltage Switching Applications (HVSA)	
	Medium Voltage Switching Applications (MVSA)	
E05	Contractors Safety Awareness (CSA) Cable Jointing & Terminations (CJT)	Electrician Technician Engineers

Note: All E03 candidate must attend SRSOR before High Voltage Switching Applications (HVSA) and Medium Voltage Switching Applications (MVSA)
